18 SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF
19 MARYLAND, That the Laws of Maryland read as follows:

20 **Article - Transportation**

21 13-113.

22 (a) If the transferee of a vehicle is a licensed dealer who holds the vehicle for
23 sale, the dealer shall within 20 days of the date of the transfer to the dealer of the

1 vehicle, obtain the certificate of title of the vehicle, which shall contain an assignment
2 and warranty of title executed by the former owner.

3 (b) If the transferee of a vehicle is a licensed dealer who holds the vehicle for
4 sale, the dealer shall retain the certificate of title in his possession until the further
5 sale or transfer of ownership of the vehicle.

6 (c) During business hours, the licensed dealer shall allow any representative
7 of the Administration and any police officer full access to all certificates of title of
8 vehicles held by him for sale.

9 (d) (1) Except as provided in paragraph (2) of this subsection, if a licensed
10 dealer holds a vehicle for sale and transfers the vehicle to another licensed dealer who
11 holds the vehicle for sale, the transferring dealer, without applying for a new
12 certificate of title, shall:

13 (i) Execute an assignment of title to the transferee dealer in the
14 manner and on the form that the Administration requires; and

15 (ii) Include in the assignment a statement certifying each security
16 interest, lien, or other encumbrance on the vehicle.

17 (2) If the certificate of title held by the transferring dealer does not
18 contain an open dealer reassignment section, the transferring dealer shall apply to
19 the Administration for the issuance of a certificate of title.

20 (e) (1) If a licensed dealer holds a vehicle for sale and transfers the vehicle
21 to someone other than another licensed dealer who holds the vehicle for sale, the
22 dealer shall:

23 (i) Execute an assignment and warranty of title to the transferee
24 in the manner and on the form that the Administration requires; and

25 (ii) Comply with the provisions specified in this subsection.

26 (2) If the vehicle is a Class A (passenger) vehicle, Class D (motorcycle)
27 vehicle, Class G (trailer) travel trailer or camping trailer, or Class M (multipurpose)
28 vehicle and is to be registered and titled in this State, the transferring dealer shall:

29 (i) Obtain from the transferee a completed application and collect
30 all taxes and fees required for titling the vehicle; and

31 (ii) Within [20] 30 days of the date of delivery of the vehicle, send
32 them, together with every other document required by § 13-104 of this subtitle, to the
33 Administration.

34 (3) If the vehicle is to be registered and titled in this State, but is not a
35 Class A (passenger) vehicle, Class D (motorcycle) vehicle, Class G (trailer) travel
36 trailer or camping trailer, or Class M (multipurpose) vehicle, the transferring dealer
37 shall, within [20] 30 days of the delivery of the vehicle, either:

1 (i) Deliver the certificate of title to the transferee; or

2 (ii) Send the transferee's completed application and all taxes and
3 fees required for titling the vehicle, together with every other document required by §
4 13-104 of this subtitle, to the Administration.

5 (4) If the vehicle is not to be titled in this State and is to be registered in
6 another state, the transferring dealer shall deliver the certificate of title to the
7 transferee within 20 days of delivery of the vehicle.

8 (f) (1) Notwithstanding any other provisions to the contrary, an automotive
9 dismantler or recycler licensed under Title 15 of this article may transfer a vehicle
10 that he owns, regardless of the type of ownership document issued for the vehicle, to
11 another licensed automotive dismantler or recycler or to a licensed dealer, without
12 applying for a new certificate of title, as provided in this subsection.

13 (2) The automotive dismantler or recycler shall:

14 (i) Execute an assignment of title to the transferee automotive
15 dismantler or recycler or dealer in the manner and on the form that the
16 Administration requires; and

17 (ii) Include in the assignment a statement certifying each security
18 interest, lien, or other encumbrances on the vehicle.

19 (g) If an automotive dismantler or recycler licensed under Title 15 of this
20 article owns a vehicle declared as salvage and if a salvage certificate has been issued
21 for the vehicle under §§ 13-506 and 13-507 of this title, the automotive dismantler or
22 recycler may transfer the vehicle to any person, without applying for a new certificate
23 of title, by executing an assignment of ownership on the salvage certificate or on the
24 form that the Administration otherwise requires.

25 13-605.

26 (a) The temporary registration of a vehicle under this part expires on the first
27 to occur of:

28 (1) Receipt of annual registration plates for the vehicle;

29 (2) Rescission of the contract to buy the vehicle; or

30 (3) Expiration of [45] 60 days from the date the temporary plate was
31 issued.

32 (b) The Administration may extend the temporary registration for a vehicle
33 under this part for a period not to exceed 30 days if the Administration is satisfied
34 that reasonable conditions exist to justify the granting of this extension.

1 (c) The person to whom a temporary registration plate has been issued for a
2 vehicle shall destroy the temporary registration plate as soon as the temporary
3 registration expires.

4 SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect
5 October 1, 2001.
